

## Curriculum Vitae

### Personal information

---

Name: Foteini F. Zormpa

Date-Place of birth: 11/02/1998, Thessaloniki, Greece

Address: Analypsi, 54644, Thessaloniki

Telephone: 6981103750

e-mail: [foteinifz@chem.auth.gr](mailto:foteinifz@chem.auth.gr)

### Education

---

**October 2020-:** MSc in Chemical and Environmental Technology, division of Chemical Technology and Industrial Chemistry, Department of Chemistry, Aristotle University of Thessaloniki, Greece.

**2016-2020:** BSc, Department of Chemistry, Aristotle University of Thessaloniki, Greece, Dissertation: Catalytic conversion of lignin into high value phenolic and aromatic compounds, Supervisor Professor: Konstantinos Triantafyllidis, Final grade: 7.95/10.

### Work Experience

---

**August-September 2020:** Internship, Water and wastewater analysis, Laboratory of Quality Control, Hellas Gold S.A., Stratonion, Khalkidiki, Greece.

**July 2018:** Summer practice, Laboratory of Metallurgy, Hellas Gold S.A., Olympias, Khalkidiki, Greece.

**August 2017:** Summer practice, Laboratory of Metallurgy, Hellas Gold S.A., Olympias, Khalkidiki, Greece.

### Volunteering

---

**2017-2018:**

AUTH on Sunday's, Chemistry Events, Department of Chemistry, Aristotle University of Thessaloniki, Greece, Head Professor: Panagiotis Giannakoudakis

### Conferences

---

**2020:**

Margellou A., Zormpa F., Triantafyllidis K., Valorization of lignocellulosic agricultural and food industry wastes towards the production of phenolic monomers, 7<sup>o</sup> Environmental Conference of Makedonia, Thessaloniki, Greece, 30/10/2020 -01/11/2020

## **Personal Skills**

---

### **Languages:**

- Greek (mother tongue)
- English
- German

### **Computer Skills:**

- MS Office (Word, Excel, PowerPoint)
- Origin Lab
- Chem Draw
